

Other Important Activities

The Hawaii Association of the Blind has also been active in educating the general public on the subject of having a positive attitude about blindness. The following is a brief list of activities carried out by the organization:

- Provided speakers at Lions and Civitan Club meetings;
- Provided speakers at the Young Buddhist Association State Youth Conference;
- Manned an educational booth on blindness at the 50th State Fair;
- Many radio and television appearances regarding blindness;
- Provided speakers for classes at Leeward Community College and the University of Hawaii at Manoa;
- Sponsored seminars for the blind regarding vocational rehabilitation regulations;
- Sponsored seminars for the Blind regarding Randolph-Sheppard Act regulations;
- Served as consultants and advisors to individuals and groups when deemed necessary;
- Provided speakers at public and private schools to make sighted students more aware as to the abilities of blind persons.
