

**Hawaii Association of the Blind
Parents and Youth - STEAM Event
Waimānalo District Park 808 Clean up**

Where: Waimānalo District Park

When: February 28, 2026 8:00 am - 10:00 am

Let's join the 808 Cleanups team as they build a rain garden of native plants and collaborate with the Department of Urban Forestry to give away trees! We will be removing nonnative grass and shrubs, collecting trash, and planting native plants!

What to bring: Closed toe sturdy shoes or boots highly recommended as there are thorny trees, rocks and khaki weeds in the area. Your choice of sun protection gear and a personal water bottle or flask. Jeans or other work pants recommended for invasive species removal.

What 808 Cleanups brings: 808 Cleanups will provide all cleanup tools and supplies including a water jug.
